General Category

Did you know Learn2GroomDogs.com (and cats) now has over 400 videos in the streaming video library? Our grooming demonstrations put you in a front row seat as award-winning stylists show you how it's done. We didn't stop with grooming - if it has anything to do with the pet grooming industry, we are seeking it out and bringing it to you. You've told us that sorting them all out was a challenge - and we've listened. You now have multiple ways to find titles that interest you.

USING THE LEARN2GROOMDOGS.COM SEARCH ENGINE

Learn2GroomDogs has a powerful search engine. You can find the Search Engine on the Home Page of the site. Simply type in a few key words of what you would like to learn more about. Do you want to learn about a particular breed? Type in the name of the breed you're looking for - such as 'Poodle.' All of the videos on the website that feature a Poodle will show up in the drop-down box. Are you trying to master a particular skill, such as scissoring? Type in the word 'scissoring' and you will be amazed at the number of videos at your fingertips. When working with the search engine, we suggest you limit the number of words. This will allow you to see the widest variety of videos available while focusing on your intended subject matter.

3 Simple Way to Search the Learn2GroomDogs Site

1. use the Learn2GroomDogs website search engine
2. search for lessons hosted by your favorite Learn2GroomDogs Trainer Partner
3. review all the titles on Learn2GroomDogs using our **NEW** PDF Master List
