

I would like an appointment for the morning afternoon Date _____

Price ranges are determined by breed, coat condition, and time required to complete grooming services.

Each grooming session is approximately 4 hours. All work is completed by students under the supervision of trained Instructors.

Minor services, such as nail trims, take approximately 15 minutes and no appointment is necessary.

On occasion, pick up times may be delayed due to the needs or safety of the pet.

Vaccinations for rabies, distemper, and bordetella are recommended for dogs.

Waiting 48 hours after vaccinations helps to ensure your pet isn't sore at the injection site, which can cause sensitivity, irritability, or lethargy.

Cat rabies vaccinations are required.
