

NATURA

Say goodbye
to muddy
paws and
messy yards!

Natura™ is an innovative hybrid turf designed specifically for pets.

(314) 997-8659

Natura™ – the low-cost, high-performance alternative to expensive, fully synthetic turf!

Real grass grows through the patented turf – add seed for even better results

Dogs can smell the earth through the turf

Easy DIY installation with minimal tools

Cover worn or bare areas or your entire yard

Easy to maintain – you can mow right over the top of Natura turf

Allows liquids to easily pass through and real grass to grow

Keeps dog's paws and your indoors clean

Turf. Reimagined.

SPECS PER ROLL:

-  133 square feet
-  35.5" wide by 45' long: actual size of turf
-  3/4 inch: turf blade height
-  49 pounds: roll weight
-  (8) rolls per pallet
Product can ship on pallets
-  (100) anchoring stakes included

Pricing available.

Turf delivery options depend upon quantity and location. Shipping costs are additional.
